<p>Tennessee Vaccines for Children Program</p>	<p>Ask your child’s healthcare provider if they participate in VFC, or contact your local health department.</p>	<p>The Vaccines for Children (VFC) Program was established by Congress in 1993. The VFC Program is an entitlement program (a right granted by law) for eligible children, age 18 years and younger. VFC helps families of children who may not otherwise have access to vaccines by providing free vaccines to doctors who serve them. VFC is administered at the national level by the CDC, that contracts with vaccine manufacturers to buy vaccines at reduced rates. Tennessee enrolls physicians who serve eligible children and provide routine immunizations. More than 600 private physicians, health department clinics, federally qualified health centers (FQHC) and rural health centers (RHC) participate in VFC in Tennessee.</p>
